# WINDPROOF

Sports Sunglasses with High Quality Lenses

100% Sun Protection UV400 CE

Designed to be your adventure partner, Kitesurfing, Running, Cycling, Skiing, Snow, Surfing & Extreme Sports.

Built for extreme conditions.

Our #windproof collection is designed for athletes who need to protect their eyes from UV rays and extreme conditions while enjoying their favorite outdoor activities.

Our models are made from durable, resistant materials that ensure exceptional comfort and performance. Our catalog offers a wide variety of colors and styles.

Models 13, 14, 15, 16, and 17 are specially designed for water lovers. Lenses with hydrophobic coating. These glasses are the perfect partner for water activities such as kitesurfing, windsurfing, sailing, and surfing. They are also ideal for running, cycling, skiing, snowboarding, and all kinds of extreme sports.

## GENERAL TECHNICAL INFORMATION:

MADE TO RESIST EVERY ELEMENT  
STYLE AND EXTREME DURABILITY IN EVERY PAIR.

## HIGH CONTRAST LENS

The high-contrast lens increases visual comfort for the eyes and improves contrast. Athletes can read the terrain much better. This translates into faster response times and, therefore, improved performance and safety.

The advantage of having a magnetic lens change that takes seconds is the instant versatility to adapt the lens color to lighting conditions, providing comfort and optimal functionality in any environment.

# ACCESSORIES
